

### **Congratulations on receiving your VisaKey certificate!**

The VisaKey Certificate is a secure digital certificate issued by The Evaluation Company (TEC) for foreign nurses seeking a U.S. occupational visa. Please print the certificate and the next page, and bring both the certificate and instructions whenever you need the VisaKey certificate. Applicants should verify that all personal information appearing on the certificate is accurate before use.

U.S. Citizenship and Immigration Services (USCIS) has authorized TEC to issue Section 343 health worker certificates for registered nurses (RNs) and licensed practical nurses and licensed vocational nurses (LPNs/LVNs). The VisaKey digital certificate system enables secure electronic issuance and real-time certificate verification for consular officials, border patrol, other agencies and applicants.

Each VisaKey Certificate includes:

- A unique certificate case number
- Secure QR code verification
- Applicant identification information
- Profession and certification details
- Real-time certificate status validation

### **Instructions for Applicants**

After your VisaKey Certificate is issued:

1. Log into your VisaKey account portal.
2. Download and print your digital certificate.
3. Present the certificate during U.S. embassy or consular interviews or upon entry to the U.S. You may also need to present your VisaKey certificate for certain state licensure applications or employer onboarding or credential review.
4. Officials may scan the QR code or verify the certificate online through the VisaKey verification portal.
